1. Background Information

About the school

- 1.1 Buxlow Preparatory School was founded in Wembley in 1927. It is owned and governed by the Inspired Learning Group (ILG), with the support of a small management team.
- 1.2 The co-educational school comprises two sections: Nursery, which opened in 2015, for children aged 2 to 5 years in the Early Years Foundation Stage (EYFS), and Prep, for pupils aged 5 to 11 years.
- 1.3 In September 2022, Buxlow merged with another local ILG school, St Nicholas' Prep but remained on its original site. The current headteacher took up his post at the same time.

What the school seeks to do

- 1.4 The school aspires to develop confident and resilient learners who recognise the importance of asking questions. By creating a welcoming and happy environment, the school endeavours to grow the children's consideration and respect for others and the emotional maturity needed to tackle the challenges of the modern world.

About the pupils

- 1.5 Pupils come from a diverse range of social backgrounds, representing the cultural diversity of the local area. Nationally standardised test data provided by the school indicate that the ability of the pupils is above average. The school has identified 14 pupils as having a range of special educational needs and/or disabilities (SEND), 13 of whom receive additional specialist help. Six pupils in the school have an educational, health and care (EHC) plan. The school has identified two pupils who receive additional English language (EAL) support. The most able pupils or those with special talents receive additional provision in academic subjects or in art, music or sport.

2. Regulatory Compliance Inspection

Preface

The Independent Schools Inspectorate (ISI) is approved by the Secretary of State to inspect schools which are, or whose heads are, in membership of the associations which form the Independent Schools Council (ISC) and report on the extent to which they meet the Independent School Standards ('the standards') in the Schedule to the Education (Independent School Standards) Regulations 2014. Inspections of schools with early years settings not requiring registration also report whether the school complies with key provisions of the Early Years Foundation Stage (EYFS) statutory framework, and for registered settings the full range of the Early Years Foundation Stage provisions is considered. Additionally, inspections report on the school's accessibility plan under Schedule 10 of the Equality Act 2010 and the ban on corporal punishment under section 548 of the Education Act 1996. Inspections also comment on the progress made to meet any compliance action points set out in the school's most recent statutory inspection.

ISI inspections are also carried out under the arrangements of the ISC Associations for the maintenance and improvement of the quality of their membership.

This is a COMPLIANCE ONLY inspection and as such reports only on the school's compliance with the standards. The standards represent minimum requirements and judgements are given either as **met** or as **not met**. All schools are required to meet all the standards applicable to them. Where the minimum requirements are not met, this is clearly indicated and the school is required to take the actions specified.

Inspections do not include matters that are outside of the regulatory framework described above, such as: an exhaustive health and safety audit; compliance with data protection requirements; an in-depth examination of the structural condition of the school, its services or other physical features; contractual arrangements with parents; an investigation of the financial viability of the school or its accounting procedures.

Inspectors may be aware of individual safeguarding concerns, allegations and complaints as part of the inspection process. Such matters will not usually be referred to specifically in published reports in this document but will have been considered by the team in reaching its judgements.

Key findings

- 2.1 The school meets the standards in the schedule to the Education (Independent School Standards) Regulations 2014, and relevant requirements of the statutory framework for the Early Years Foundation Stage, and associated requirements, and no further action is required as a result of this inspection.**

- 2.3 The curriculum is documented, supported by appropriate plans and schemes of work for the pupils and covers the required breadth of material. The teaching enables pupils to make good progress, encompasses effective behaviour management and is supported by suitable resources. A suitable framework for the assessment of pupils' performance is in place.
- 2.4 Pupils receive relationships education. The school has consulted parents and published a written statement of its policy which has regard to the relevant statutory guidance.
- 2.5 The standards relating to the quality of education [paragraphs 1–4] are met.**

PART 2 – Spiritual, moral, social and cultural development of pupils
