## 1. Background Information

### About the school

- 1.1 Lewes Old Grammar School was originally established in 1512 by a foundation left by Agnes Morley. It is a co-educational day school, providing for pupils from age 3 to 18. Junior school pupils are taught in Morley House, a short distance from the senior school, which occupies three buildings in Lewes High Street. The work of the school is overseen by a governing body of the trustees of the school's charitable trust.
- 1.2 Since the previous inspection, a new purpose built sixth-form centre has been added.
- 1.3 During the period March to August 2020, the whole school remained open only for children of key workers. During this period of closure, the school provided remote learning materials for all pupils.
- 1.4 In the interests of infection control during the COVID-19 (coronavirus) pandemic, inspection evidence was gathered partly remotely and partly on-site to reduce contact within the school setting.
- 1.5 In line with the direction given by the Department for Education (DfE) at the time, no evaluation has been made of the nature or effectiveness of any provision made during the period March to August 2020, including its impact on pupils' learning, achievement or personal development. Any concerns relating to pupils' welfare during this period which directly relate to measures implemented by the school have been considered.
- 1.6 During the lockdown period of January to March 2021, all pupils other than the children of key workers or vulnerable pupils received remote learning provision at home.
- 1.7 In 2020 and 2021, public examinations were not held. For pupils who would have been expected to take these examinations, centre-assessed grades were awarded.
- 1.8 Since 2020, EYFS profiles have not been externally moderated.

### What the school seeks to do

- 1.9 The school seeks to enable pupils to develop respect for others, self-esteem and the ability to think for themselves. It sets out to help pupils grow in self-confidence, leadership and organisational skills, while reaching their academic potential.

### About the pupils

- 1.10 The ability profile throughout the school, measured by standardised tests of ability, is above the national average, with a broad range of abilities represented. Pupils come mainly from business and professional families living within 10-mile radius of the school. The social and cultural backgrounds of pupils reflect that of the local area. Two pupils in the junior school speak English as an additional language (EAL). The school has identified 51 pupils as having special educational needs and/or disabilities (SEND), who receive extra support within the classroom, in a small group, or by individual tuition, for dyslexia or dyspraxia. Two pupils in the school have an education, health and care (EHC) plan. The school does not formally identify more able pupils but provides opportunities for extra challenge within and beyond the curriculum.

## 2. Regulatory Compliance Inspection

### Preface

The Independent Schools Inspectorate (ISI) is approved by the Secretary of State to inspect schools which are, or whose heads are, in membership of the associations which form the Independent Schools Council (ISC) and report on the extent to which they meet the Independent School Standards ('the standards') in the Schedule to the Education (Independent School Standards) Regulations 2014. Inspections of schools with early years settings not requiring registration also report whether the school complies with key provisions of the Early Years Foundation Stage statutory framework. Additionally, inspections report on the school's accessibility plan under Schedule 10 of the Equality Act 2010 and the ban on corporal punishment under section 548 of the Education Act 1996. Inspections also comment on the progress made to meet any compliance action points set out in the school's most recent statutory inspection.

ISI inspections are also carried out under the arrangements of the ISC Associations for the maintenance and improvement of the quality of their membership.

**This is a COMPLIANCE ONLY inspection and as such reports only on the school's compliance with the standards.** The standards represent minimum requirements and judgements are given either as **met** or as **not met**. All schools are required to meet all the standards applicable to them. Where the minimum requirements are not met, this is clearly indicated and the school is required to take the actions specified.

Inspections do not include matters that are outside of the regulatory framework described above, such as: an exhaustive health and safety audit; compliance with data protection requirements; an in-depth examination of the structural condition of the school, its services or other physical features; contractual arrangements with parents; an investigation of the financial viability of the school or its accounting procedures.

Inspectors may be aware of individual safeguarding concerns, allegations and complaints as part of the inspection process. Such matters will not usually be referred to specifically in published reports in this document but will have been considered by the team in reaching its judgements.

Links to the standards and requirements can be found here: [The Education \(Independent School Standards\) Regulations 2014](#), [Early Years Foundation Stage Statutory Framework](#).

**COVID-19: Inspection judgements do not cover the period March to August 2020 inclusive.**

## Key findings

- 2.1 The school meets the standards in the schedule to the Education (Independent School Standards) Regulations 2014, and relevant requirements of the statutory framework for the Early Years Foundation Stage, and associated requirements and no further action is required as a result of this inspection.**

### **PART 1 – Quality of education provided**

- 2.2 In the junior school, the school's own framework for assessment confirms that teaching enables pupils to make good progress in the context of Part 1 paragraph 3(a).
- 2.3 At GCSE in the years 2018 to 2020, performance has confirmed that teaching enables pupils to make good progress in the context of Part 1 paragraph 3(a).
- 2.4 In the sixth form, A-level results in the years 2018 to 2020 have confirmed that teaching enables pupils to make good progress in the context of Part 1 paragraph 3(a).
- 2.5 The curriculum is documented, supported by appropriate plans and schemes of work for the pupils and covers the required breadth of material. The teaching enables pupils to make good progress, encompasses effective behaviour management and is supported by suitable resources. A suitable framework for the assessment of pupils' performance is in place.
- 2.6 Pupils receive relationships education in the junior school and relationships and sex education in the senior school, except in so far as they are lawfully excused. The school has consulted parents and published a written statement of its policy which has regard to the relevant statutory guidance.
- 2.7 The standards relating to the quality of education [paragraphs 1–4] are met.**

### **PART 2 – Spiritual, moral, social and cultural development of pupils**

- 2.8 Principles and values are actively promoted which facilitate the personal development of pupils as responsible, tolerant, law-abiding citizens.
- 2.9 The standard relating to spiritual, moral, social and cultural development [paragraph 5] is met.**

### **PART 3 – Welfare, health and safety of pupils**

- 2.10 Arrangements are made to safeguard and promote the welfare of pupils by means that pay due regard to current statutory guidance; good behaviour is promoted; bullying is prevented so far as reasonably practicable; health and safety requirements are met, including those relating to fire safety; provision is made for first aid. Pupils are properly supervised; admission and attendance registers are maintained, as required, and there is a strategic approach to risk assessment. A disability access plan is in place.
- 2.11 The standards relating to welfare, health and safety [paragraphs 6–16], the requirement of Schedule 10 of the Equality Act 2010, and the ban on corporal punishment under section 548 of the Education Act 1996 are met.**

## **PART 7 – Manner in which complaints are handled**

2.18 Parental complaints, if any, are handled effectively through a three-stage process, (informal, formal and a hearing before a panel of three, one of whom is independent of the school). Each stage has clear time scales, and at the third stage the panel can make findings and recommendations which are communicated to the complainant. ### 3. Inspection Evidence

- 3.1 The inspectors observed lessons, conducted formal interviews with pupils and examined samples of pupils' work. They held discussions with members of staff and with a group of governors including the chair, observed a sample of the extra-curricular activities that occurred during the inspection period, and attended form meetings. Inspectors visited the facilities for the youngest pupils. The responses of parents, staff and pupils to pre-inspection questionnaires were analysed, and the inspectors examined curriculum and other documentation made available by the school.
