1. Background Information

About the school

- 1.1 St Mary's School Ascot is an independent Roman Catholic day and boarding school for females aged between 11 and 18 years, situated on a 55-acre site. It was established in 1885 by the Institute of the Blessed Virgin Mary, now named the Congregation of Jesus, whose founder, Mary Ward, was strongly committed to the education of women. Her philosophy remains a guiding influence in the school today. St Mary's School Ascot Trust was established in 1984 by council members who appoint the board of governors to oversee the strategic direction and day-to-day management of the school. Boarders in Years 7–11 are accommodated in year groups in the main school. Separate housing for sixth form pupils is provided. Since the previous inspection, an additional sixth form boarding house has been built. A new headmistress has been in position since September 2019.
- 1.2 During the period March to August 2020, the whole school was closed. No boarders remained on site. During this period of closure the school provided remote learning materials for all pupils.
- 1.3 In the interests of infection control during the COVID-19 (coronavirus) pandemic, inspection evidence was gathered partly remotely and partly on-site to reduce contact within the school setting.
- 1.4 In line with the direction given by the Department for Education (DfE) at the time, no evaluation has been made of the nature or effectiveness of any provision made during the period March to August 2020, including its impact on pupils' learning, achievement or personal development. Any concerns relating to pupils' welfare during this period which directly relate to measures implemented by the school have been considered.
- 1.5 During the lockdown period of January to March 2021, all pupils received remote learning provision at home, or with guardians in the case of overseas boarders. In 2020 and 2021, public examinations were not held. For pupils who would have been expected to take these examinations, centre-assessed grades were awarded in 2020 and teacher assessed grades in 2021.

What the school seeks to do

- 1.6 The school aims to foster the intellectual, spiritual and personal development of each pupil, and to encourage independent thought and each pupil's sense of their own worth and talents. It aims to promote a strong sense of responsibility and respect for others, and provides opportunities for pupils to enjoy the richness of the Catholic faith. These aims allow all pupils to thrive within a boarding environment, and to develop confidence, sincerity and a cheerful disposition.

About the pupils

- 1.7 Almost all pupils are full boarders and come mostly from Roman Catholic families living in London and the South East with a range of professional and business backgrounds. A minority live overseas and just under half of these are British nationals. The school has identified 34 pupils requiring additional specialist help for special educational needs and/or disabilities (SEND), which include dyslexia and dyspraxia. No pupil has an Education, Health and Care (EHC) plan. English is spoken as an additional language (EAL) by 60 pupils, of which none require specialist help. Sixty-eight more able pupils have access to the school's Academy programme, which provides a range of opportunities for development and extension.

2. Regulatory Compliance Inspection

Preface

The Independent Schools Inspectorate (ISI) is approved by the Secretary of State to inspect schools which are, or whose heads are, in membership of the associations which form the Independent Schools Council (ISC) and report on the extent to which they meet the Independent School Standards ('the standards') in the Schedule to the Education (Independent School Standards) Regulations 2014, including the National Minimum Standards for Boarding ('boarding NMS'), where applicable. Additionally, inspections report on the school's accessibility plan under Schedule 10 of the Equality Act 2010 and the ban on corporal punishment under section 548 of the Education Act 1996. Inspections also comment on the progress made to meet any compliance action points set out in the school's most recent statutory inspection.

ISI inspections are also carried out under the arrangements of the ISC Associations for the maintenance and improvement of the quality of their membership.

This is a COMPLIANCE ONLY inspection and as such reports only on the school's compliance with the standards, including the boarding NMS. The standards represent minimum requirements and judgements are given either as **met** or as **not met**. All schools are required to meet all the standards applicable to them. Where the minimum requirements are not met, this is clearly indicated and the school is required to take the actions specified.

Inspections do not include matters that are outside of the regulatory framework described above, such as: an exhaustive health and safety audit; compliance with data protection requirements; an in-depth examination of the structural condition of the school, its services or other physical features; contractual arrangements with parents; an investigation of the financial viability of the school or its accounting procedures.

Inspectors may be aware of individual safeguarding concerns, allegations and complaints as part of the inspection process. Such matters will not usually be referred to specifically in published reports in this document but will have been considered by the team in reaching its judgements.

Links to the standards and requirements can be found here: [The Education \(Independent School Standards\) Regulations 2014](#), [National Minimum Standards for Boarding Schools](#).

COVID-19: Inspection judgements do not cover the period March to August 2020 inclusive.

Inspectors visited boarding houses and the learning support and educational resource areas. The responses of parents, staff and pupils to pre-inspection questionnaires were analysed, and the inspectors examined curriculum and other documentation made available by the school.
