1. Background Information

About the school

- 1.1 Steeplehill School is an independent co-educational day school. Founded in 1935, the school became a charitable trust administered by a board of governors in 1990. Since the previous inspection, a new chair of governors took up his position in September 2020. The current head took up his position in August 2019. Two new classrooms have been built since the previous inspection.
- 1.2 The school comprises an Early Years Foundation Stage (EYFS) for children in the pre-school and reception classes, and the junior school for pupils in years 1 to 6.

What the school seeks to do

- 1.3 The school aims to provide a secure environment within which pupils can develop a love of learning and the determination to succeed alongside a deep respect for their community. It intends that all pupils should be supported to explore beyond their comfort zone and build their emotional, social and physical wellbeing so that they will be ready for diverse futures in the next phase of their lives.

About the pupils

- 1.4 Pupils come from a range of professional and business families living mostly within a 7-mile radius of the school. Standardised assessment data indicate that the ability of the pupils is above average compared to those taking similar tests nationally. There are 29 pupils with identified special educational needs and/or disabilities (SEND), including dyslexia, ADHD, ASC, processing and emotional difficulties all of whom receive extra support within the school. Three pupils speak English as an additional language (EAL), of whom two receive additional support for their English. One pupil has an education, health and care (EHC) plan. The school has identified 16 pupils as the most able in the school's population and the curriculum is modified for them.

2. Regulatory Compliance Inspection

Preface

The Independent Schools Inspectorate (ISI) is approved by the Secretary of State to inspect schools which are, or whose heads are, in membership of the associations which form the Independent Schools Council (ISC) and report on the extent to which they meet the Independent School Standards ('the standards') in the Schedule to the Education (Independent School Standards) Regulations 2014. Inspections of schools with early years settings not requiring registration also report whether the school complies with key provisions of the Early Years Foundation Stage (EYFS) statutory framework, and for registered settings the full range of the Early Years Foundation Stage provisions is considered. Additionally, inspections report on the school's accessibility plan under Schedule 10 of the Equality Act 2010 and the ban on corporal punishment under section 548 of the Education Act 1996. Inspections also comment on the progress made to meet any compliance action points set out in the school's most recent statutory inspection.

ISI inspections are also carried out under the arrangements of the ISC Associations for the maintenance and improvement of the quality of their membership.

This is a COMPLIANCE ONLY inspection and as such reports only on the school's compliance with the standards. The standards represent minimum requirements and judgements are given either as **met** or as **not met**. All schools are required to meet all the standards applicable to them. Where the minimum requirements are not met, this is clearly indicated and the school is required to take the actions specified.

Inspections do not include matters that are outside of the regulatory framework described above, such as: an exhaustive health and safety audit; compliance with data protection requirements; an in-depth examination of the structural condition of the school, its services or other physical features; contractual arrangements with parents; an investigation of the financial viability of the school or its accounting procedures.

Inspectors may be aware of individual safeguarding concerns, allegations and complaints as part of the inspection process. Such matters will not usually be referred to specifically in published reports in this document but will have been considered by the team in reaching its judgements.
