## **1. Background Information**

### **About the school**

- 1.1 The Islamic Shakhsiyah Foundation (Slough) is one of two co-educational primary day schools founded and owned by the Islamic Shakhsiyah Foundation. The school is a charitable trust and is overseen by the trustees of the foundation. It is situated in an urban setting and includes an Early Years Foundation Stage setting. Previous inspections were carried out by Ofsted. The acting head has been in post since September 2021 and an executive head with oversight of both schools was appointed in June 2021.
- 1.2 The inspection took into account the circumstances faced by schools during the COVID-19 pandemic and the restrictions imposed by government guidance at various points of the pandemic.

### **What the school seeks to do**

- 1.3 The school aims to provide an alternative, Islamic approach to education. It seeks to encourage pupils to develop a strong sense of their Muslim identity and heritage and to see their lives as a process of growth towards Allah. It sets out to prepare pupils for life in modern Britain and to teach them to see themselves as part of a local and a wider community.

### **About the pupils**

- 1.4 Pupils come from homes in the near vicinity of the school and from Islamic faith backgrounds. The school's own assessment data indicates that the ability of pupils is average with a fairly wide range apparent on entry. There are 13 pupils who require extra support within school for special educational needs (SEND) such as dyslexia. Some receive support because previous educational experience has been limited. The few pupils who need support in developing their English are provided with this in class as they catch up. There are currently no pupils with an educational or health care (EHC) plan.

## 2. Regulatory Compliance Inspection

### Preface

The Independent Schools Inspectorate (ISI) is approved by the Secretary of State to inspect schools which are, or whose heads are, in membership of the associations which form the Independent Schools Council (ISC) and report on the extent to which they meet the Independent School Standards ('the standards') in the Schedule to the Education (Independent School Standards) Regulations 2014. Inspections of schools with early years settings not requiring registration also report whether the school complies with key provisions of the Early Years Foundation Stage (EYFS) statutory framework, and for registered settings the full range of the Early Years Foundation Stage provisions is considered. Additionally, inspections report on the school's accessibility plan under Schedule 10 of the Equality Act 2010 and the ban on corporal punishment under section 548 of the Education Act 1996. Inspections also comment on the progress made to meet any compliance action points set out in the school's most recent statutory inspection.

ISI inspections are also carried out under the arrangements of the ISC Associations for the maintenance and improvement of the quality of their membership.

**This is a COMPLIANCE ONLY inspection and as such reports only on the school's compliance with the standards.** The standards represent minimum requirements and judgements are given either as **met** or as **not met**. All schools are required to meet all the standards applicable to them. Where the minimum requirements are not met, this is clearly indicated and the school is required to take the actions specified.

Inspections do not include matters that are outside of the regulatory framework described above, such as: an exhaustive health and safety audit; compliance with data protection requirements; an in-depth examination of the structural condition of the school, its services or other physical features; contractual arrangements with parents; an investigation of the financial viability of the school or its accounting procedures.

Inspectors may be aware of individual safeguarding concerns, allegations and complaints as part of the inspection process. Such matters will not usually be referred to specifically in published reports in this document but will have been considered by the team in reaching its judgements.

## Key findings
